

**WE ARE LEADERS
IN GIVING YOU NEW AND
DIFFERENT PLACES TO SHOP**

We were the first to get outlets – Natio & Royal Doulton. Elite is excited – check out our Outlets

Elite Shopping Tours visit approximately 10-12 Outlets on your Tour and gives you time to shop at your favourites!

It is entirely your choice to have up to 12 Outlets on your tour however you may opt for a fewer number of Outlets and spend more time at each one.

Some groups do 15+ Outlets! Please liaise with our office when planning your tour.

IT IS YOUR CHOICE!

For your convenience, we have given you the choice of any outlets from the following pages. Please ask if you wish to have fewer outlets and spend more time at others, i.e. perhaps your group is a Primary School or Children's Playgroup and you may want 1-2 hours at a Toy outlet. Discuss at your meeting with our office when organising your Tour Invitations.
